Playgroup at the Zoo - Story Board

I am going to the Adelaide Zoo.

I will see many different animals at the zoo.

Playgroup at the Zoo - Story Board

There might be a lot of people lining up to get tickets. I will have to wait with an adult in line to get tickets.

Inside the zoo, I need to walk with an adult.

Playgroup at the Zoo - Story Board

I can wear a wrist band with my carers phone number on it. If I get lost an adult can call the number to find my carer.

If I get lost, I can ask a zoo worker, or a Playgroup SA worker and they will help me.

There are toilets at the zoo. There might be other people in the toilets.

There is a map and signs to help us find the animals.

The animals are all kept inside special enclosures. They are safe and cared for by the zoo keepers. The animals cannot get out of their enclosures. I don't touch the animals unless a zoo keeper tells me I can.

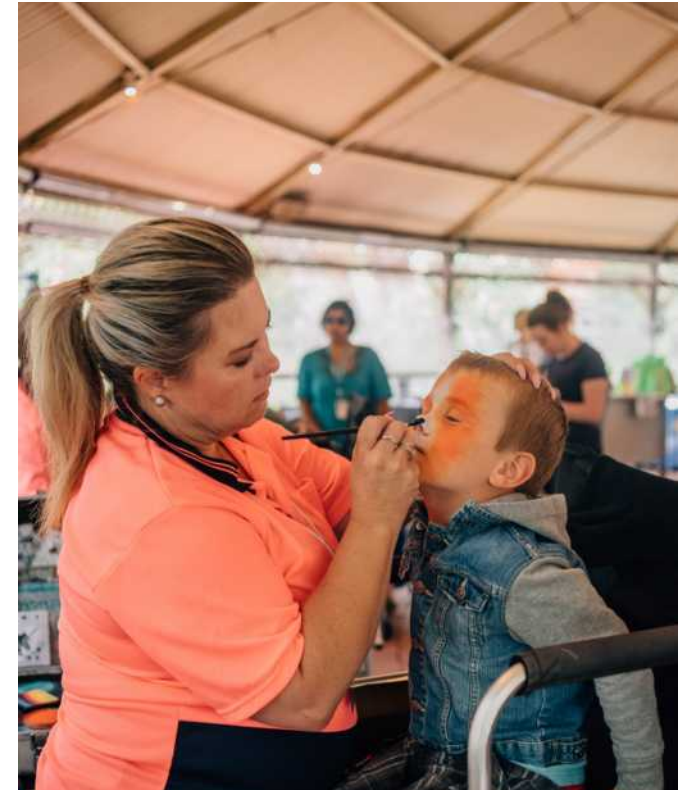

There are some bird aviaries - which are areas with walls and a roof where birds can fly around. I can walk inside there if I want. The birds might fly near me, and they won't hurt me.

Playgroup at the Zoo - Story Board

When I am looking at animals, there is a fence or a glass wall – I need to stay behind the fence.

Some people will be having their faces painted with animal pictures or other characters.

Sometimes, I might hear an animal make loud noises. I can cover my ears or move away.

Today, there is going to be "Playgroup at the Zoo" which is a special event. This means there will be a lot of people at the zoo and there will be some special things happening at the zoo.

If I need to have a break, I can tell an adult. There are lots of quiet paths at the zoo away from other people. We can walk down a quiet path and I can have a break.

There is a playground at the zoo. If I want to, I can have a play there.

There will be crafts and activities for me to do on the grass area and under the rotunda.

There will be a person blowing bubbles. A magician performing a magic show, and a dancer with music. I can watch the shows if I want to.

Going to the zoo will be fun!
