# Media Release: Playgroup at the Zoo

FOR IMMEDIATE RELEASE (Tuesday 20 October, 2015)

The latest roar of excitement coming from the Northern end of Adelaide on Friday 23 October is the Playgroup Movement, charging toward a day full of Playgroup fun at Adelaide Zoo!

Playgroup SA celebrates another year of learning through play with Playgroup children, parents and carers from across South Australia with their Annual Event, Playgroup at the Zoo – a fabulous opportunity for Members to enjoy an exciting day out. In hosting this event, Playgroup SA aims to highlight the many ways that Playgroup brings communities together and supports parents and caregivers of young children in their role as their child's first educator.

Not only does Playgroup @ the Zoo feature the vast selection of animals housed at Adelaide Zoo, it also features an interactive schedule of children's entertainment and activities – including grass roots Playgroup activities, African Soul drumming workshops and a panda Nylon Zoo with dress up's and story time.

The Community Playgroup Network is an important part of community life across both rural and metropolitan South Australia, with hundreds of Playgroups providing support to families who together, with their children, play to learn and learn to play.
